A great variety Clocks, Table and Book and Problems of the prain difficulty is recognized. MADE IN THE ART.

The main difficulty in wearing artificial teeth is, they do not hold in their place firmly enough, and add to this the annoyance of food getting under the plate while cating. I have discovered a method of so constructing the plate on which the teeth are set that they will not start or drop while cating or speaking, neither will any particles of food get under the plate, no matter what the condition of the mouth is, which is not true of any method hitherto used.

matter what the condition of the mouth is, which is not true of any method hithertoused.

I have secured Letters Patent for the United States, England and France.

The improvement is not in material, but in the construction, whichs ecures the atmospheric pressure on the entire plate.

I have sold the exclusive of said improvement to the construction of the entire plate.

H. A. CUTLER, - - PROPRIETOR

All Printing brought to this Office, both Plain and Ornamental, will meet with prompt attention, at prices as low as the times will admit. We do our work much better than can any Office that will do a job of printing for nothing for the sake of depriving us of it, and we are ready to compare our work with any similar class of printing done in the cities, both in neatness and price.

Hand your orders into the Transcript Book and Job Printing Establishment if you take any pride in having your printing done in a workmanlike manner.

Newstyle in one Bottle will quickly restore Gray Hair to its natural color and beauty, and produce luxuriant growth. It is perfectly harmless, and is preferred over every other preparation by those who have a fine head of hair, as well as those who wish to restore it. The beautiful gloss and perfume imparted to the Hair make it desirable

for old and young. For Sale by all Druggists.

MPORTANT TO STOCK GROWERS.

Blood, Beauty, Speed, Kind-ness and Endurance.

Those who desire to raise first-class sotek, and all lovers of good horses, are respectfully in-formed that the Hambletonian trotting stallion,

YOUNG DEXTER: vill stand for a limited number of marcs the en-suing season, at the Homestead Stock Farm, will stand for a limited number of mares the ensuing season, at the Homestead Stock Farm, Greenwich, Washington County, N. Y.; season to commence on the 1st of May and to end on the 1st day of September. Young Dexter was bred at Chester, Orange County, N. Y., is four years old, by Rysdyk's Hambletonian, stands nearly 16 hands high, and is one of the best of the get of his celebrated sire, Young Dexter is a half brother to Dexter, George Wilkes, Bruno, Brunette—allied to Mountain Boy—and other well known horses. Very evidently, from his size, shape, etc., Young Dexter will not only bring gentle, fine and speedy stock, but also handsome carriage and family horses as well. It is manifestly for the benefit of stock growers that they obtain not only the best and most popular blood in the country, but also that which commands the highest prices in market, and it requires no more labor or care to raise a good colt than an inferior one. It was with the view to improve the stock of horses in Northern New York, Vermont and New Hampshire, etc., that Young Dexter was purchased by its present owner, Mr. H. C. Page, Editor of the People's Journal—the object being to benefit farmers and stock growers who are willing te undergo the care and expense necessary to the raising of good horses.

For further particulars, terms, etc., address Homestead Stock Farm, Greenwich, Washington County, N. Y.

By Hon. Alexander H. Stephens.

This great work presents the only complete and impartial analysis of the causes of the War yet published, and gives these interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

The public that has been surfeited with apparently similar productions, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has at last found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgent ly demand.
